

# PUBLIC NOTICE

Due to a “fast melt”, the road commonly known as “Tree Road” which can be located by travelling East off of Range Road 3061, at the SW-36-43-6 quarter, has been washed out and will only be able to be assessed and repaired once the snow and water is finished running in this area.

Signage and barricades have been placed approximately 1 mile west of the “Big Tree Site” as the road is unsafe and impassable from the hilltop through to the Tree Site.

Please note that as per The Municipalities Act, subsection 15(2) states: Any person using a closed street or road in a municipality:

- (a) does so at his or her own risk;
- (b) has no right to recover damages in case of accident or injury; and
- (c) is liable for any damage or injury resulting from such use.

Any person(s) found damaging, moving or removing an official sign is guilty of an offence and liable on summary conviction to a fine.

---
