Voting Process Flow Chart

VOTER completes <u>Form R – Voter's Registration Form and Poll Book.</u>

DRO may assist a voter with the form – ensure all aspects of the form are discussed with the voter prior to accepting the form if help was given

↓

DRO accepts <u>Form R - Voters Registration Form and Poll Book</u>

↓

Voter provides evidence of identity:
- One photo piece of government-issued ID; or
- Two pieces of ID, one with address, from the list provided in Table 1 of Appendix D of the Regulations

NO evidence of Identity Provided:
Another voter vouches for the person who does not have identification:
- Must complete <u>Form B – Vouching for Identity</u>;
- Can only vouch for one person unless a relationship as described in Table 2 Appendix D of the Regulations exist; and
- Cannot be an election official, candidate, or candidate's agent.

↓

DRO reviews identification or vouching documents to establish voter's identity and makes necessary entries in the poll book (sequentially numbered).

↓

Candidates or agents may object to the eligibility of a voter who has not yet voted.

↓

DRO enters objection into poll book – voter still has opportunity to vote.

→

DRO:
- Initials ballot on the reverse side;
- Folds the ballot to conceal its face and expose the initials;
- Provides the ballot to the voter when a voting compartment is available; and
- Explains the proper method of voting if requested.

↓

Voter:
- Accepts the ballot and proceeds to the voting compartment;
- Marks the ballot by placing an "X" or another mark to clearly indicate the choice;
- Folds the ballot to conceal the face of the ballot and expose the initials; and
- Returns the marked ballot to the DRO.

↓

DRO:
- Receives marked ballot from voter; verifies initials on the back of ballot; deposits the ballot in the ballot box; and makes an entry in the polling book that the voter has voted.

↓

Voter will leave the polling place unless they are an election official, candidate or an agent.
