2022 Property Reinspection Notice

Rural Municipality of RM of Blaine Lake #434 Planned Dates: April 2022 - October 2022

SAMA appraisers will be in your area beginning on the date listed above.

Over time, property assessments become dated because of changes to the land use that may not have been identified through the annual maintenance reviews. The general reinspection program undertakes to review each property to re-establish a uniform base of up-to-date property records for the municipality.

SAMA's goal, starting in 2019, is to reinspect every property in the province on a 12-year cycle.

The changes as a result of this review will be implemented on the assessment roll in the following year. For more information, please contact your local SAMA office or visit www.sama.sk.ca
